  - Depth wing inside : 19/55 mm
  - Width cutout : 76 mm
  - Height : 70 mm
  - Angle cutout : 88/92°
  - Total thickness : 0.5 mm

## Versatility of Product

- KurbIT<sup>®</sup> shower curbs are specifically engineered to mechanically fit the pan at the floor creating a simple, flawless installation every time!
- Thin, low-profile curbs meet the aesthetic trend while allowing for easy expansion in any direction if desired
- Our proprietary, single piece, prefabricated curb covers make waterproofing the curb ends to the wall incredibly simple while not creating any build up due to the typical multiple membrane overlaps

## Warranty

- System carries a standard 10-year limited warranty
- Manufacturer warrants 5-year warranty for the guaranteed product qualities
